Limit League Membership, Eight Schools

Membership in the Northwest Suburban High School Conference remains unchanged at eight, according to action taken by principals of member schools.

In a 4-4 vote, with a majority needed for approval, Woodstock and Cary were denied admittance to the conference. Antioch's representative, principal A. L. Dittman, voted for admittance of the two schools on authorization of the district school board in action taken at last month's meeting.

Acceptance of Woodstock into the conference would have paved the way for its withdrawal from the North Suburban Conference, which in turn would have allowed North Chicago High to join that conference. Cary is a new high school and unaffiliated at present.

Although cognizant of problems of scheduling and travel, Antioch's school board feels neither to be sufficient scope to refuse expansion of conference membership to 10.

Looking to the future, board members feel problems of conference membership will become more acute with time. They base their opinion on the factors of population increases and shifts. Construction of new schools in this area, considered inevitable over the next few years, will, of necessity force conference realignments. Various schools, such as Woodstock, have been outgrown by their conferences and find it difficult to compete on even terms with other schools of rising student population.

The conference session was held at the Casa Capri in Grayslake.

Keglers to Spark March of Dimes Drive Here Sunday

Antioch bowling fans will see some top notch bowling and March of Dimes efforts here will receive major impetus Sunday when the Antioch Woman's Club joins with William McCormick in sponsoring a match between Antioch All-Stars and the front-running Old Fitzgerald team of Chicago's Classic League.

The matches, free to the public, will be held at Antioch Bowl, Inc. The meeting of the two teams will climax a day of bowling that will get under way at 11 a. m. Sunday in matches involving Junior and Bantam League bowlers. The two adult teams will meet at 1 p. m.

During the contests viewers will be asked to contribute to the March of Dimes in lieu of admission price. Four members of the Woman's Club will be on hand to represent the fund drive. They will be Mrs. Walker Lyons, Mrs. Lawrence

Lions Reaffirm Civic Effort

A program of stepped-up community activities was promised by Antioch Lions at annual installation ceremonies Monday in Lorenz Smart Country House.

Newly-installed president, Jack Fields said, "Of paramount importance again this year will be the club's effort in behalf of the Antioch swimming pool." He urged the group to undertake other projects of a non-financial nature, primarily in the field of youth.

The new leader accepted the gavel from William Brook, installing officer. Other officers installed during Monday night's session were:

Preston Reckers, first vice president; Mr. Richard Ripley, second vice president; Ralph Gressens, third vice president; Maynard Schneider, treasurer; Marvin Heath, Lion tamer; Al Bucar, tail twister; Ed Strang, director; and directors

Maurice Lavine, W. V. Lahti, and Clarence Shaw.

Adjourning the regular Lions Club meeting, members reconvened to hear a report by Leonard Roblin, president of the Swimming Pool Board, on pool activities. The community swimming pool is a major project of the Antioch Lions Club and is sponsored and financed by that group.

Roblin reported that 776 children were taught to swim last season at the swimming pool. In discussing pool finances, he reported \$2,522.73 was raised by Lions through various fund-raising activities, \$267.50 by the Woman's Club, and \$2,000 from the Ray Webb estate. Various

Sponsor Auction For Cancer Fund

A silent auction of articles donated by members, with funds to be donated for the cancer fund, was held by the Ladies Auxiliary of the Veterans of Foreign Wars, at their regular meeting Monday.

A total of \$17.45 was raised through the auction which is one of the fund raising projects sponsored by the Auxiliary.

Mrs. Ollie Hallwas is chairman of the cancer fund.

The auction followed a pot luck supper at 917 David St. During the session members began planning for a pre-Lenten season card party.

Coroner Blames Drink For 70% of Accidents In Talk Before PTA

Traffic safety and the hazards of mixing alcohol and gasoline were described by Coroner Robert Babcock at a meeting of the Oakland Parent-Teacher Association, Monday, at the school.

Coroner Babcock showed film clips of various types of accidents and narrated the scenes. He revealed that statistics show that some 70 per cent of accidents can be directly related to the use of alcohol, and stated his belief the majority were needless. He stressed aggressiveness and lack of consideration for others as prime factors in car accidents, and urged polite, considerate and cautious driving.

Following the coroner's presentation, refreshments were served by mothers of fourth grade students under Mrs. Wayne Erickson and Mrs. Norman Peterson.

Lodge Instruction

The Lakeside Rebekah Lodge No. 82 of Antioch will hold a public installation at 8 p. m. Wednesday, Jan. 18, in the American Legion Hall on Ida Avenue.

Vote April 4 On New Town Offices; 2 File

Two candidates for township offices have filed and received petitions, according to L. R. Van Patten, town clerk.

W. Richard Whitacre and Myrtle Biel have filed for re-election to the library board, six-year term.

Initial filing date for April 4 elections was Monday, Jan. 9, and extends through Feb. 13.

The township elections in April will be for the posts of three town auditors, one district justice of the peace and one district constable. These five posts will supplant the five justice of the peace offices currently in force in Antioch Township.

Voters will also elect a town assessor, clerk and two members of the library board.

Also to be voted upon will be the office of assistant supervisor. This is a new office for Antioch Township. By law, townships with populations over 7,500 are eligible for an assistant supervisor. Antioch Township qualifies for this post with its present population of 8,700.

Legislation is now pending in Springfield to boost the qualification figure of 7,500 population to 10,000, which if passed, would automatically eliminate this office in this township.

However, officials feel the pending legislation will not pass.

3 Waukegan Youths Admit 15-20 Break-ins in Area

By Mrs. Bernice Berman

LINDENHURST — Three Waukegan youths, taken into custody by police Monday, have admitted committing eight burglaries in homes here and are believed to be implicated in a rash of break-ins which have plagued Lake and McHenry County police over the past few months.

The youths, James R. Chostner, 20, 26 Frolik Ave.; Bernard Lopez, 17, 315 Dugdale Rd., and William D. Braden, 17, 525 Baldwin Ave., all of Waukegan, were arrested by Lindenhurst police through the assistance of Mr. and Mrs. Louis Hartokolis, Thornwood Dr.

The Hartokolis, whose home was robbed Dec. 29, had obtained a description of the car thought to have been driven by the burglars on the night of the robbery. Monday night when they saw a car of this description cruising in the neighborhood they notified officer Augie Matthies, also a recent burglary victim, who sped to the scene with Officer Robert Spear.

The two Lindenhurst police officers pursued the car down Sand Lake Rd., to Rt. 45 and Loon Lake Rd., where they curbed the car and brought the lone occupant, Chostner, to police headquarters for questioning.

The Hartokolis were summoned.

Suspend Driver Licenses of 3

Driver licenses of three area residents have been suspended for infractions of state laws, according to the Drivers License Division of the office of Charles F. Carpentier, Secretary of State.

The license of Russell H. Cote, 105 Box Villa Ave., Lake Villa, was suspended for three offenses; license of Robert J. Lutterman, 1020 Main St., Antioch, three offenses; Carl L. Barthel, Channel Lake Rd., Antioch, caused or contributed to an accident resulting in death or injury.

The youths had burglarized the latter two residences just before being apprehended.

The robberies here followed a pattern. Homes were broken into on Monday or Thursday evenings between 6:15 p.m. and 8 p.m., presumably when occupants were shopping. The driver would leave his two accomplices and pick them up later. Jewelry, liquor and money seemed to be the prime targets in the robberies.

MAPPING FINAL plans this week for Sunday's 53-minute drive for cerebral palsy funds are (left to right) Mrs. Harry Green, Mrs. Robert Lubkeman, chairman, Mrs. David Buck, assistant chairman, Mrs. J. Leisch and Mrs. John Angeloff.

32 Volunteers to Canvass City in Fund March Sunday

Mrs. Robert Lubkeman, Rt. 4, Antioch chairman for the Cerebral Palsy march, Jan. 15, today appealed to everyone to contribute when volunteers will canvass homes between 1 and 4 p.m. All contributions will go

to United Cerebral Palsy for services to cerebral palsied children in the area and for research projects.

The drive is called the "53-minute march," so named because a child is born every 53 minutes with cerebral palsy.

Families were urged to read leaflets which will be distributed by volunteer drive members, which, in addition to data on the disease, contain important information on civil defense.

Meanwhile, Mrs. Lubkeman, assisted by Mrs. David Buck, assistant chairman, and 32 volunteer marchers, readied plans to cover the area.

Volunteer marchers are: Mrs. J. DeStefano, Mrs. Gerda Swanson, Mrs. Jack Sampayo, Mrs. T. G. Robinson, Mrs. Ruth Bobzein, Mrs. Chester Rich, Mrs. David Nissen, Mrs. Harry Arndt, Mrs. Fred Koch, Mrs. Norman E. Jedele.

Also Mrs. Robert E. Lasco, Mrs. Don Forbes, Mrs. Elmer E. Eberman, Jr., Mrs. W. B. Gillum, Mrs. James Ferrier, Mrs. Harry Green, Mrs. Marge Seitz, Mrs. Robert E. Gaston, Mrs. Richard B. Seyfarth, Mrs. Gus Strom, Mrs. Leonard Roblin, Mrs. William Seemann.

DEAR READER News Editorials

It All Depends on You

Dad, who has just taken a deep breath and a long, close look at his pocketbook after shelling out for a joyful, albeit somewhat expensive Christmas, will again be asked to dig down into his pocket and . . . give.

The March of Dimes is in the midst of its annual drive for funds which officially got underway in Lake County last week with the mailing of 64,000 appeals to residents and will open here Sunday with a benefit bowling match between two top teams.

Thirty-four volunteer marchers will make a house-to-house canvass Sunday between 1-4 p.m. in the annual United Cerebral Palsy Drive for funds to be used for aid to cerebral palsied victims and their families. And plans are being formed for the annual Heart Fund campaign scheduled a few weeks hence.

These appeals, added to the normal give and take of day-to-day living, may seem wearing, and the "head of the house" may mentally quiver when he contemplates the future.

But no matter his pain, he's still the one upon thousands of disease-stricken individuals depend. And by his generosity in the months ahead . . . whether it be in dollars or dimes . . . he is buying insurance toward the day when research will go far toward defeating many of the crippling afflictions that today are common.

Salk vaccine, the discovery of which was made possible in part by funds from the March of Dimes, has curbed the tragedies of polio. Significant advancements have been made in the fight against cerebral palsy, and medical science is gaining an upper hand in its battle against once-common heart ailments.

These advancements depend upon research, upon those dedicated to spending their lives in search and medicine . . . and just as important, they depend upon you and your generosity.

So whether it's a dime or a dollar, give and give cheerfully. You'll never support a more worthy cause.

Full Measure of Satisfaction

Residents of the Lakes area can find a full measure of satisfaction in the police action which resulted in the arrest Monday night of a youthful gang of burglars in Lindenhurst.

The youths have admitted 15 to 20 burglaries in Lake and McHenry County, and there is reason to believe they may be implicated in others which have plagued the area for the past two months.

Alert action by the Lindenhurst force, under Chief Fred Bellers accomplished the arrests.

Antioch and surrounding areas, located as they are in close proximity to urban areas and drawing a large number of transients because of unmatched recreational facilities, are natural magnets for unlawful as well as lawful elements.

The rate of crime in the area is low, much lower, in fact, than most areas with similar characteristics. This fact is a direct reflection on the citizenry and on the efficiency and dedication of local law enforcement agencies.

Courthouse Notebook —

BY LOU DUKIN

The Republicans in Springfield carried their "sour grapes" routine right down to the wire yesterday with former Gov. William G. Stratton putting the final emphasis on the GOP's disappointment over the outcome of the Nov. 8 balloting.

Breaking with tradition Stratton left the Springfield Armory where Otto Kerner was inaugurated before the actual swearing-in ceremony and before the new governor's inaugural address.

This act of discourtesy fit the pattern set by members of the House of Representatives who waged a losing battle to block the election of Paul Powell as Speaker of the House, one of the most powerful positions in the state government.

Kerner's inaugural address brought no comfort to corporation heads or to business leaders as he revealed plans to boost the corporation tax and to plug loopholes in the sales tax law.

Fiscal problems were the main theme of the inaugural address which was a business-like exposition of the aims of the new administration and evoked little enthusiasm even among the Democrats who jammed the huge hall for the ceremony.

Republican precinct committeemen gathered at the courthouse Saturday to select delegates to the judicial convention in McHenry Jan. 21, where they will select the GOP nominee for Circuit Judge.

There had been some expectation that a Lake County nominee would be picked for nomination at the McHenry conclave, but no action was taken.

There is little doubt, however, barring unforeseen developments that Probate Judge Thomas J. Moran will be the nominee. The Democrats also met last week, but authorized County Chairman Ray Jadrich to select the delegates and alternates for their nominating convention.

So far there has been little action among the Democrats to name a judicial candidate and there is a rumor making the rounds that the Democrats will pass up the election and endorse Judge Moran in the wild hope that the Republicans might reciprocate and approve the election of a Circuit Court judge from the Democratic ranks in 1963.

The 19th Judicial Circuit comprising Lake and McHenry counties will be entitled to four judges as a result of the population of the district and the Democrats apparently feel they are entitled to representation on the bench. And they don't have a bad argument at that.

State Rep. W. J. Murphy of Antioch was on hand for the judicial convention and gave a brief report on the progress of the Speaker battle in Springfield.

Rep. Murphy has been one of the leaders in the battle to keep the post for the Republicans who hold a one vote majority in the chamber, on paper, and received a rousing welcome from the precinct committeemen for his fight, despite the outcome of the struggle.

Paul Serdar, deposed chairman of the Illinois Racing Commission, is apparently determined that Lake County, one of the leading thoroughbred breeding counties in the state, shall have representation on the commission during Gov. Kerner's administration.

Serdar has declined to submit his resignation from the board and will probably serve out his present term which expires in 1965.

Under Serdar's chairmanship during the Stratton administration Illinois became one of the top breeding states in the nation and under his leadership Lake County is now dotted with handsome farms dedicated to the improvement of the breed.

Your State Senator Reports

By State Sen. Robert McCleary
Republican—Lake Bluff, Ill.

Now is the time to act if you want changes in our state laws. The Illinois General Assembly (which meets only every two years) convened last Wednesday, Jan. 4, and will meet each week until June 30. Changes which are not made during the present 72nd Session of the Illinois General Assembly will have to await the convening of the 73rd Session in January, 1963.

If you have plausible suggestions for new laws or if you desire changes or the repeal of existing laws, communicate at once with the writer or a member of the House of Representatives for this district. You can address us in care of the State Capitol, Springfield, and you will receive our early reply.

Of course, numerous organizations are already at work preparing legislative proposals for action at the present session. For instance the Chicago and Illinois State Bar Associations have reviewed dozens of substantive changes of our laws and have compiled a list of approximately 15 bills which will have the official backing of these two organizations of lawyers. The Judicial Advisory Council has developed var-

ious drafts of bills to further improve the new Justice of the Peace system. The School Problems Commission will report soon on needed measures to improve our school laws. Labor Unions and numerous other groups will sponsor countless additional legislative proposals.

But the unorganized body of the people will have to act individually through their respective legislators if their ideas for changes in our laws are to be realized.

The process is not difficult nor complicated. A plausible change in our laws communicated to your State Senator or State Representative can be readily transformed into a bill by the Legislative Reference Bureau, a body of expert bill draftsmen to which members of the legislature have access. The measure is then ready for introduction in the Illinois House or Senate and is eligible to receive the same consideration as bills proposed by the Governor, Legislative Commissions, or powerful organizations.

The enactment of new laws or changes in our existing laws can be accomplished by your own individual interest and effort in the manner described. The time to act is now!

John Q. Citizen Gets a Tax Break, New Amendment

Harold R. All, director of the Chicago District of Internal Revenue, today called attention to a recently enacted amendment to the law, effective for taxable years beginning on or after January 1, 1960, which under certain conditions allows a taxpayer a charitable contribution for amounts paid to maintain a student as a member of the taxpayer's household.

The deduction may not exceed \$50 multiplied by the number of full calendar months during the taxable year which fall within the period the student is maintained in the taxpayer's household. For this purpose, 15 or more days of a calendar month are considered as a full calendar month.

All pointed out that in order for a taxpayer to qualify for this new deduction:

1. The student must not be a dependent or relative of the taxpayer.
2. The student must be a member of the taxpayer's household pursuant to a written agreement between the taxpayer and qualified charitable, religious, educational, and other organizations, contributions to which are deductible for Federal income tax purposes. Such an organization must sponsor the student and must be engaged in a program to provide educational opportunities for pupils or students placed in private homes by the organization.
3. The student must be attending an educational institution in the U. S. on a full-time basis in the 12th or any lower grade.
4. The taxpayer must not receive any money or other property as compensation or reimbursement for maintaining the student in his household.

All emphasized that to substantiate the new deduction a taxpayer should keep adequate records of all amounts paid for maintaining the student. These include, for example, amounts paid for books, tuition, food, clothing, medical and dental care, transportation, and recreation. He stated, however, that since the new law was not enacted until September, 1960, the deduction for amounts paid by the taxpayer during 1960 for maintaining a student in the household will not be denied.

Ice Track Opens At Channel Lake

By Mrs. Pearl Kapell
CHANNEL LAKE—A new Go-Kart Ice Track opened Saturday at Shunnesson's Boat House at Channel Lake, adding to winter sports facilities for local residents.

The track is a large cleared area on the lake over which cars equipped with runners on the front and wheels on the back move at speeds of up to 8 miles per hour.

The track is open to all 9 years of age and over, according to operator Barney Shunnesson. He revealed that the carts can't tip and at operating speeds, are comparatively safe.

An area adjacent to the ice track has been cleared for skaters.

Courthouse Notebook—

BY LOU DURKIN

The Republicans in Springfield carried their "sour grapes" routine right down to the wire yesterday with former Gov. William G. Stratton putting the final emphasis on the GOP's disappointment over the outcome of the Nov. 8 balloting.

Breaking with tradition Stratton left the Springfield Armory where Otto Kerner was inaugurated before the actual swearing-in ceremony and before the new governor's inaugural address.

This act of discourtesy fit the pattern set by members of the House of Representatives who waged a losing battle to block the election of Paul Powell as Speaker of the House, one of the most powerful positions in the state government.

Kerner's inaugural address brought no comfort to corporation heads or to business leaders as he revealed plans to boost the corporation tax and to plug loopholes in the sales tax law.

Fiscal problems were the main theme of the inaugural address which was a business-like exposition of the aims of the new administration and evoked little enthusiasm even among the Democrats who jammed the huge hall for the ceremony.

Republican precinct committeemen gathered at the courthouse Saturday to select delegates to the judicial convention in McHenry Jan. 21, where they will select the GOP nominee for Circuit Judge.

There had been some expectation that a Lake County nominee would be picked for nomination at the McHenry conclave, but no action was taken.

There is little doubt, however, barring unforeseen developments that Probate Judge Thomas J. Moran will be the nominee.

The Democrats also met last week, but authorized County Chairman Ray Jadrach to select the delegates and alternates for their nominating convention.

So far there has been little action among the Democrats to name a judicial candidate and there is a rumor making the rounds that the Democrats will pass up the election and endorse Judge Moran in the wild hope that the Republicans might reciprocate and approve the election of a Circuit Court judge from the Democratic ranks in 1963.

The 19th Judicial Circuit comprising Lake and McHenry counties will be entitled to four judges as a result of the population of the district and the Democrats apparently feel they are entitled to representation on the bench. And they don't have a bad argument at that.

State Rep. W. J. Murphy of Antioch was on hand for the judicial convention and gave a brief report on the progress of the Speaker battle in Springfield.

Rep. Murphy has been one of the leaders in the battle to keep the post for the Republicans who hold a one vote majority in the chamber, on paper, and received a rousing welcome from the precinct committeemen for his fight, despite the outcome of the struggle.

Paul Serdar, deposed chairman of the Illinois Racing Commission, is apparently determined that Lake County, one of the leading thoroughbred breeding counties in the state, shall have representation on the commission during Gov. Kerner's administration.

Serdar has declined to submit his resignation from the board and will probably serve out his present term which expires in 1965.

Under Serdar's chairmanship during the Stratton administration Illinois became one of the top breeding states in the nation and under his leadership Lake County is now dotted with handsome farms dedicated to the improvement of the breed.

Your State Senator Reports

By State Sen. Robert McCleary
Republican—Lake Bluff, Ill.

Now is the time to act if you want changes in our state laws. The Illinois General Assembly (which meets only every two years) convened last Wednesday, Jan. 4, and will meet each week until June 30. Changes which are not made during the present 72nd Session of the Illinois General Assembly will have to await the convening of the 73rd Session in January, 1963.

If you have plausible suggestions for new laws, or if you desire changes or the repeal of existing laws, communicate at once with the writer or a member of the House of Representatives for this district. You can address us in care of the State Capitol, Springfield, and you will receive our early reply.

Of course, numerous organizations are already at work preparing legislative proposals for action at the present session. For instance the Chicago and Illinois State Bar Associations have reviewed dozens of substantive changes of our laws and have compiled a list of approximately 15 bills which will have the official backing of these two organizations of lawyers. The Judicial Advisory Council has developed various drafts of bills to further improve the new Justice of the Peace system. The School Problems Commission will report soon on needed measures to improve our school laws. Labor Unions and numerous other groups will sponsor countless additional legislative proposals.

But the unorganized body of the people will have to act individually through their respective legislators if their ideas for changes in our laws are to be realized.

The process is not difficult nor complicated. A plausible change in our laws communicated to your State Senator or State Representative can be readily transformed into a bill by the Legislative Reference Bureau, a body of expert bill draftsmen to which members of the legislature have access. The measure is then ready for introduction in the Illinois House or Senate and is eligible to receive the same consideration as bills proposed by the Governor, Legislative Commissions, or powerful organizations.

The enactment of new laws or changes in our existing laws can be accomplished by your own individual interest and effort in the manner described. The time to act is now!

Mr. and Mrs. Joe (Pearl) LaBarbera and their children, Anthony and Carol, spent Christmas Day at the home of Pearl's parents, Mr. and Mrs. Joseph (Mary) Romano, in Bristol, Wis. Pearl's brother, Richard, his wife, Margaret, and their two children, James and Kathy, of Dayton, Ohio, also were there.

Anthony celebrated his 13th birthday Wednesday by having an ice skating party with Bill Bernau and Stanley Sutherland. After hours of skating, they came home to enjoy hot chocolate, birthday cake and ice cream.

The Holy Name Society of the Prince of Peace Church in Lake Villa will sponsor a Pancake Day, Sunday after every mass in conjunction with the Family Day Communion. Breakfast will be served after every mass, starting at 8 a.m.

Mrs. Tony (Sandy) Drago of Elmwood Drive has been ill the past week with a cold.

Mr. and Mrs. Edward Bernau and son, Bill, of White Oak Drive had a busy Christmas weekend. After dinner at home, they visited Ed's sister, Mrs. William (Bernadette) Pedston and her family in River Forest, where gifts were exchanged. They celebrated the birthday of their nephew, Tommy, who was 11 years old Christmas Day.

In the evening they visited Ed's younger sister, Mrs. Joe (Mary) Cerrito and her family in Chicago. There they celebrated the birthday of another nephew, Bobby, who was 2 years old.

Christmas Monday found them having a big turkey dinner at Ed's brother, Bob's home in Sauganash Park with his family and the James Bernaus and their family of Roselle.

The "Gad-a-bouts" had their Christmas party at the home of Mrs. Mel Uebele on Hawthorne Drive, Dec. 28. Gifts were exchanged; Pokey was played and refreshments served.

Main conversation was about the arrival of Andrea Elise Kleban, first girl born in the Kleban family in 26 years.

The Lindenhurst Junior Police club had a special meeting, Dec. 28, to receive their police stars, but with the Christmas rush of mail, they didn't arrive. Ron Coles promised delivery for the Jan. 3 meeting.

The boys were told that soon they would be organizing basketball teams and the drill team. They were reminded that they can miss only three meetings, otherwise they will not be considered a member.

Chuck Pawlowski took over the meeting when Ron Coles had to leave. The boys were reminded that some of them are not living up to the Police Club pledge. By breaking any of these pledges sworn to, they may lose their appointment as a member of the Junior Police. Boys were asked to obtain parents' written permission to attend Great Lakes Jan. 14.

John Q. Citizen Gets a Tax Break, New Amendment

Harold R. All, director of the Chicago District of Internal Revenue, today called attention to a recently enacted amendment to the law, effective for taxable years beginning on or after January 1, 1960, which under certain conditions allows a taxpayer a charitable contribution for amounts paid to maintain a student as a member of the taxpayer's household.

The deduction may not exceed \$50 multiplied by the number of full calendar months during the taxable year which fall within the period the student is maintained in the taxpayer's household. For this purpose, 15 or more days of a calendar month are considered as a full calendar month.

All pointed out that in order for a taxpayer to qualify for this new deduction:

1. The student must not be a dependent or relative of the taxpayer.
2. The student must be a member of the taxpayer's household pursuant to a written agreement between the taxpayer and qualified charitable, religious, educational, and other organizations, contributions to which are deductible for Federal income tax purposes. Such an organization must sponsor the student and must be engaged in a program to provide educational opportunities for pupils or students placed in private homes by the organization.
3. The student must be attending an educational institution in the U. S. on a full-time basis in the 12th or any lower grade.
4. The taxpayer must not receive any money or other property as compensation or reimbursement for maintaining the student in his household.

All emphasized that to substantiate the new deduction a taxpayer should keep adequate records of all amounts paid for maintaining the student. These include, for example, amounts paid for books, tuition, food, clothing, medical and dental care, transportation, and recreation. He stated, however, that since the new law was not enacted until September, 1960, the deduction for amounts paid by the taxpayer during 1960 for maintaining a student in the household will not be denied.

Ice Track Opens At Channel Lake

By Mrs. Pearl Kapell
CHANNEL LAKE—A new Go-Kart Ice Track opened Saturday at Shunnesson's Boat House at Channel Lake, adding to winter sports facilities for local residents.

The track is a large cleared area on the lake over which cars equipped with runners on the front and wheels on the back move at speeds of up to 8 miles per hour.

The track is open to all 9 years of age and over, according to operator Barney Shunnesson. He revealed that the carts can't tip and at operating speeds, are comparatively safe.

An area adjacent to the ice track has been cleared for skaters.

Grass Lake PTA Plans Community Sing Jan. 16

Members of the Grass Lake Parent-Teacher Association will meet at the school Monday, Jan. 16, 8 p.m., with Mrs. James Ferrier presiding.

Main business of the evening will be an exhibition of Scouts work and a community sing. Refreshments will be served by Mrs. Robert Hart and mothers of students of the fifth grade.

solely because of lack of records of actual payments if the amounts claimed to have been paid can be reconstructed from available collateral evidence.

Taxpayers who have any questions about the new deduction should consult their nearest Internal Revenue Service office.

Bowlers Confused And Amused In Zany Tournament

By Mrs. Pearl Kapell
(Jan. 8, 1961)

CHANNEL LAKE—Any time you find a game boring, just change the rules. It may not improve the game, but it'll confuse the contestants. And there was considerable confusion in the novel husband-and-wife bowling tournament which was a feature of the New Year's Eve party at the Antioch Bowl. Supposedly, the husband and wife throw alternating balls, picking up each other's spares, except that at certain times you don't. It would take a Philadelphia lawyer to figure this one out, especially if your husband—or wife—keeps on getting ralls. But it was all in fun, and made for a hilarious game.

Mr. and Mrs. Vern Heath spent the week after Christmas visiting relatives in Gary and Rensselaer, Indiana.

The Couples Pinocle Club met at the home of Mr. and Mrs. Frank Hennig on Jan. 1. A traditional New Year's Day dinner was served to the guests—spareribs and sauerkraut. This is supposed to insure that you'll not be broke all through the coming year. Guests were Mr. and Mrs. Robert Hess, Mr. and Mrs. William Frey, Mr. and Mrs. Frank Kranz, Mrs. Katharine Archer and Mrs. Lois Liess.

Donny Eckert, son of Mr. and Mrs. John Eckert, celebrated his Dec. 28 birthday with a party on Dec. 31. Donny was four years old. His guests for the occasion were Mark and Tommy Sterling, Chuck Dowell, Jimmy Hessian.

Mr. and Mrs. Emory Trussell, former residents of Channel Lake, now living in Silver Lake, are the parents of a baby girl, born in Victory Memorial hospital on Friday, Dec. 30. The newest Trussell weighed seven pounds eleven ounces at birth. Freddie Kittledor took the first place trophy in the Bantam League Bowling Tournament with a score of 333 for two games.

Mr. and Mrs. Frank Hennig spent several days with the family of their daughter, Mr. and Mrs. James Moschel, at Christmas time.

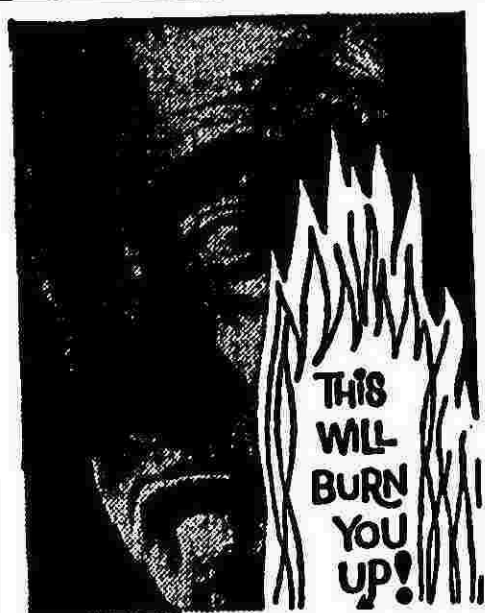

Mr. and Mrs. Harry Weiss, Jr., and daughter, Pamela, spent the Christmas holidays with Mr. Weiss's parents, Mr. and Mrs. Harry Weiss of Lake Avenue. The junior Weiss's live in Hartford, Conn. They visited several relatives in this area before returning to Hartford on Monday.

Joan Bjork had a party for several of her young friends Dec. 31 to celebrate her Jan. 1 birthday. Present were Susan, LuAnn, Judy and Betsy McKinney, Jean and Danny Dowell, David Lemke, Pat and Terry Runyard, Joellyn Rocznicki, and Karen and Lance Trussell. Birthday cake and all the party fixins were served.

Mr. and Mrs. Donald Bjork spent the New Year's weekend at the home of Mr. and Mrs. Jim Morton in Milwaukee.

Antioch Library Facilities Expanded Through Visits of Bookmobile Unit

The bookmobile from the Northern Illinois Regional Library at DeKalb, which is a book depository of the Illinois State Library, made its first visit to the Antioch Township Library on December 1. This is a new venture for the Extension Services of the Illinois State Library.

Mr. James Montedonico is in charge of the Regional Library and he hopes to be able to make the round trip to all the libraries in North-eastern Illinois once every six weeks. The bookmobile serves librarians only and participating libraries are allowed to borrow up to 200 books from the bookmobile. These books are then loaned to library patrons on exactly the same basis as any other library owned book. By this means, even the most avid reader can find new material from which to choose.

A Christmas gift of \$10.00 from Mrs. Carl Hughes will be added to the building fund. Contributions to the building fund have also been made in memory of Mrs. Mary Willie, Mrs. Anne Kopriva, Hansford Shepard and Mrs. Ruth Hall-was. All memorial contributions and other gifts will be added to the \$5,000 bequeathed by the late Raymond Webb and will be used in the construction of the future new home of Antioch's book collection.

"Knowing Your Trees," by G. H. Collingwood and Warren D. Brush, is a publication of the American

Forestry Association. More than 500 illustrations showing typical trees and their leaves, bark, flowers, and fruits, will be of great help to students and tree lovers in identifying the many varieties. "Knowing Your Trees" has been added to the reference section of the library in memory of Fred May.

The nature writings of Edwin Way Teale are a delight to readers who love to study the many riches with which our country is endowed. His newest book, "Journey Into Summer," is the story of his 10,000 mile wanderings through the North American summer.

Louis Untermeyer has collected a fat, satisfying book of children's poetry in "The Golden Treasury of Poetry." Poems of creatures, people, laughter, nature, and the holidays will fulfill the anticipations of the many children who love the rhymed word.

"Journey into Summer" and "The Golden Treasury of Poetry" were given to the library in memory of Mrs. Mary Pechousek.

Many people carry a mental picture of Abraham Lincoln as an obscure country lawyer, who by some miraculous chance was transformed into our great Civil War president. John J. Duff, in "A. Lincoln, Prairie Lawyer," gives us the true picture of Lincoln's flourishing practice in Springfield and Chicago and tells of the humanitarian principles that guided Lincoln's career in law as well as in politics. "A. Lincoln, Prairie Lawyer" was given to the library in memory of Mrs. Anne Kopriva.

Area Cub Pow-Wow Scheduled Saturday

Discussions ranging from the operation of a Cub Scout Pack to the staging of Den skits will be featured at the Seventh Annual North Shore Area Council Cubbers Pow-Wow to be held Saturday, Jan. 14, at St. Joseph's School in Libertyville.

The program begins at 12:30 p.m. and will be in session until 5 p.m. according to Robert Klemm, Washington St., Glenview, general chairman of the event. An attendance of several hundred adult leaders from the New Trier Skokie Valley, Lake Shore and Northwest Districts of the Scout organization is expected.

Highlighting this year's activities are two new "specials." There will be a preview of all of the monthly themes in the 1961 Cub Scout program in the Handicraft section, under the direction of Mrs. Velma Harris, Mundelein. Also for the first time will be a study group in How to Put on Dramatic Skits, conducted by Miss Sydney Price Berg, Wilmette.

Always an outstanding attraction, the Midway this year is under the supervision of Darrell Kay, Round Lake, and Art Gjertsen, Ingleside. Charles Fahrenholz, 1104 Wincanton Drive, Deerfield, will head up the course on Pack Administration and he will be assisted by Ben Block, 208 Pine street and Gordon Ommen, 1225 Blackthorn road, both of Deerfield.

Polio Drive Begins Here

The 1961 March of Dimes began here last week as volunteers distributed some 2,000 blue coin collectors to stores, retail establishments and other business houses throughout the county.

As part of a national drive by the National Foundation to finance a continuing fight against the crippling diseases of polio, arthritis, and birth defects, local workers urged residents to unloosen purse strings during the January drive.

Elwyn F. Wightman, director of the fund drive in Lake County cited the need for March of Dimes funds. "With these funds, your nickels and dimes—and dollars, too—the National Foundation wars on the crippling diseases through its expanded programs of medical research, patient aid and scholarships for professional education."

The inner lane of an expressway is for passing only, says the Chicago Motor Club. Slow traffic always should keep to the right. If the car ahead is maintaining the posted speed limit, do not pass. Drop back to a safe distance and obey the speed laws.

SCENE FROM "Escape to Egypt," full color motion picture to be shown at the Community Methodist, Lake Villa, Sunday at 3:30 p.m. and 7:30 p.m., shows the Holy Family fleeing to Egypt after Joseph hears that Herod is seeking the Child.

Second Episode in Living Christ Film Series to Be Presented Sunday

"Escape to Egypt," the second in 12 full-color motion pictures cover-

ing the life of Christ, will be shown Sunday, Jan. 15, at 3:30 p.m. and again at 7:30 p.m. in the Lake Villa Community Methodist Church.

The Rev. Robert Prinzing, pastor of the Lakeland Baptist Church, will elaborate on the cultural background of the times in connection with the film.

The film portrays why Joseph and Mary remained in Bethlehem after the birth of Jesus, the recognition by Simeon, the adoration of the Magi, the order for the slaughter of the innocents, and the escape of the Holy Family.

This film series is said to be the most detailed depiction of the life of Christ ever filmed. The series was completed recently after four years in production, and is being presented in 12 episodes of 30 minutes each. The series was photographed in full color with a cast including more than 200 speaking parts, giving viewers the complete political, economic and religious background of the times.

The Rev. Gerald Robinson, pastor, said the Community Methodist church is one of the first churches in the country to present this complete series. The showing is open to the public, he said.

PICTURED ABOVE, two immaculate workers pack fruit at the U. S. Products Processing plant in San Jose, California. This is one of the many fine companies from which Piggly Wiggly orders pick-of-the-crop fruits and vegetables in volume for its stores in Northern Illinois, Southern Wisconsin and Eastern Iowa. HERE'S HOW PIGGLY WIGGLY'S VOLUME BUYING SAVES YOU MONEY: It's a basic economic fact that the greater the volume of purchases, the smaller the unit cost can be. In the instance of the purchases from U. S. Products, Piggly Wiggly's Gene Arnett ordered almost ten carloads of Freestone Peaches, Bartlett Pears, Applesauce, Catnip, Peas, and Grape Jam. When a buyer places such a tremendous order, the supplier is able to grant a lower price on each case of product. Piggly Wiggly passes these savings along to you in the form of the special values on this page.

6 Straight For Squad; Sophs Win

Antioch High's junior cage squads came through with double wins over Round Lake last weekend to live up to basketball buffs, somewhat disconsolate over the fortunes of the luckless varsity.

The Soph squad rolled by Round Lake prep Friday evening 62-47 to give them a 2-3 record to date, while Roger Andrew's soaring freshmen dumped the Panther frosh the following morning 63-31 for their sixth straight win.

Faced by Lear and Nicholite, Antioch freshmen jumped out in front 16-9 in the first quarter, extended this to 31-17 at the half and were never headed. Finishing out with two strong quarters, freshmen Sequoits scored 15 and 17 in the third and fourth compared to 8 and 6 for Round Lake.

Lear, with 19 points and Nicholite with 13 were high for Antioch. Price scored virtually half of Round Lake's 31 points by dumping in seven field goals and 1 foul.

Wauconda Wins Third Straight, 76-61 Over Rams

Wauconda came up with its third straight conference win to maintain its partial hold on third place by defeating the Grayslake Rams 76-61 last Friday.

Behind 12-4 in the opening minutes, the Bulldogs, led by Gordie Hughes with nine points, bounced back to take an 18-17 first-quarter lead. The Bulldogs came back with another 18-point quarter in the second and led 36-31 at halftime.

Grayslake cooled, sinking only two from the floor in the third quarter, while Wauconda netted 15 to stretch the lead to 53-42. The Rams, with 19 points in the fourth quarter, were again outscored 23-19.

A well-balanced squad, Wauconda's efforts were aided by the fine floor performance of Gordie Hughes, who wound up with 20 points, high for the evening, and Jack Cook, playmaker.

Accuracy played a big part in the win for Wauconda as the Bulldogs hit for a hot 54 percentage as compared to 250 for the Rams.

High for Wauconda was Hughes' 20, followed by LeLito 17, Coomes 13, Wasilas 8 and Frazer 7. High for Grayslake were Williams and Hawkins, each with 17, and Alderton and Pickett, 8 each.

The loss dropped Grayslake into the conference cellar with Antioch and Lake Forest, each with 1-4 records.

Golden Glovers Start Training For Tournament

World's Top Ski Champs to Jump At Fox River Gr.

The Norge Ski Club's 56th annual ski jumping tournament at Fox River Grove Sunday, Jan. 15, matches the ranking American performers against outstanding contestants from the Orient and Europe.

Included in entries are two Japanese jumpers, Kiyotaka Sakai and Yukio Sasaya, who made their first appearance in this country in the Eau Claire, Wis., tournament last Sunday; and Torbjorn Yggseth, who competed for the Norwegian team in the Olympic Winter Games last year at Squaw Valley, and is an exchange student at Wenatchee, Wash.

The American Olympics will also compete in the Norge meet.

Coming from the far west is Jimmy Brennan of the Leavenworth Ski Club, Edmonds, Wash. Brennan won the national title last year on the Iron Mountain hill, equalling the American distance record of 316 feet. Ansten Samuelstuen established this record in 1956 at Steamboat Springs, Colo.

Ela Moves into Third with 64-56 Win Over Lake F.

Ela-Vernon's cagers rallied in closing minutes of their game Friday with Lake Forest to win 64-56, thereby moving into a third-place tie with Wauconda in the Northwest Suburban Conference.

Anybody's game until the fourth quarter with Ela out in front 46-45, the Bears put on a kick that saw them sink 18 points to 11 for Lake Forest, giving them their third win in five league starts.

The loss dropped Lake Forest into a three-way tie for last place with Antioch and Grayslake, with one win against four losses.

The two squads battled to a 15-15 deadlock during the first quarter, with Ela taking leads of 32-20 at the half and 46-45 at the three-quarter mark.

Joe Shober and Dennis Elliott supplied the final kick for the Bears, each dropping in six points and doing a good job under the boards.

Helping was the ragged play of Lake Forest in the final stanza when it lost the ball five times in less than three minutes.

High scorer for Ela was Skinner, with 17, followed by Elliott, 16, Wright 12 and Shober 10. Leading scorers for Lake Forest were Roderwald 16, Ekdahl 12, Weshinsky 10 and Lindburg 8.

Plan Hunting, Fishing Survey Here, Jan. 23

Information on the hunting and fishing activities of Lake Counties will be collected by the U. S. Census Bureau in a sample survey here starting Jan. 23. Data compiled in the Lake County survey will be added to that obtained in sample surveys in 332 other areas of the country to obtain information of number of individuals who engaged in recreational hunting and fishing in this country last year.

The last survey of this type, taken in 1956, revealed that some 25,000, 999 anglers and hunters spent nearly \$3 billion in pursuit of fish and game during 1955, for an average \$114 apiece.

Panthers Net 23 Charities To Win 53-39

A bit of buckfever at the free throw line worked against Antioch's Sequoits Friday night at Round Lake and spelled the difference in their 53-39 loss to the Panthers.

In a low-scoring game, marked by ragged play, the Sequoits committed 38 personals, most of which occurred on defensive rebounds when they were outmaneuvered under the boards. The Panthers proceeded to sink 23 charities to 7 for Antioch, which proved adequate to offset Antioch's scant 16-15 advantage in field goals.

The Sequoits blistered the backboards for 63 attempts, but only 16 dropped in for a dreary .254 average, while Round Lake was only slightly more accurate, sinking 15 of 50 field-goal attempts for a .300 average.

The Panthers jumped off to an early 13-6 lead in the low-scoring first quarter and had built a one-sided 25-12 margin at the midway mark in the second. Les Herbst, Antioch's hope for conference honors, came to life and sank four straight and the Sequoits closed the gap to 26-20 at the half.

The Panthers continued to pile up the points, and jumped in front 40-33 in the third, with Antioch closing to five points, making the score 42-37 with five minutes to go. Krieger, who played a good all-around game for Antioch, went out on personals, and was followed by Herbst, and there went Antioch's hopes for the second victory in five starts.

Herbst, high game scorer with 17, was the only Sequoit who scored double figures, and was followed by Dudley Sheehan, who hit for 8 points in the last half, and Krieger, with five.

High for the Panthers were George Williams and Roy Johnson with 16 each, followed by Ted Peterson with 13.

Round Lake grabbed off a total of 31 rebounds, compared to 18 for the Sequoits.

Warren Loses, Grant Wins in Non-League Play

Grant and Warren, fresh from Friday night's league encounter, won by the Blue Devils 68-67, to give them undisputed lead in the Northwest Suburban Conference, reversed the procedure the following night in non-league play with Grant edging a strong Maine High School 64-59 while Warren dropped a 67-55 decision to Zion.

Despite the loss of playmaker Mike Bartolette, Grant's Bulldogs came through with a stout 3-2 offense and man-to-man defense to hold Maine. Led by Raffel with 22 points and Hodge with 16, the Bulldogs came up with a sizzling 54 per cent of field goals made compared with 340 for Maine.

Larry Beshel dunked 30 points for Warren to continue his hot pace, but it wasn't enough as the Blue Devils dropped a 67-55 decision to Zion-Benton Saturday. Zion took an early lead and outscored the Blue Devils in all except the final quarter. Warren remained striking distance in early stages and trailed 35-30 at the half. A 16-7 third quarter gave Zion a sound lead which it never relinquished.

Beshel, with 12 baskets and 6 charities, was the only Warren player to crack two columns. High for Zion were Murphy with 22 and Taylor 19.

Scouts in Battle for First

The high-flying Antioch Scouts move into showdown territory this Sunday when they face the Grayslake Inlanders to settle a tie for first place in the Land O' Lakes League.

The clash is set for 4 p. m. at Grayslake High School. Both teams have a record of 5 wins and 2 losses. Heading Sunday's card will be a 1:30 p. m. contest between Wauconda and Fox Lake, followed by a Round Lake vs. Richmond tilt at 2:45 p. m.

The Scouts are fresh from a good showing at the Waukegan Recreation Board's holiday tourney, where they snagged second place honors by downing St. Mary's KJS of Waukegan, 66-59, and the Barwell A League team, 74-71.

The Antioch squad was beaten out in the finals by the Branch YMCA of Waukegan, 72-66, after jumping

off to a one-point lead at the half. The Scouts held their first-place position last Sunday when they trounced Richmond, 80-57, at Wauconda, in Land O' Lakes League play.

Richmond leaped off to a 6 to 4 lead, their largest edge of the game. Then the Scouts took over and held leads of as much as 7 points, ending up with a 5-point halftime advantage. Facing the Scouts' first-half attack were Haviland with 10 points, Sid Parker and Pregenzer with 8 each.

The Scouts came back strong in the second half, extending their lead and continuing in full command the rest of the way. Leading the scoring were Haviland, Pregenzer and Parker. High point man for Richmond was Loren Miller with 28.

In other contests, Fox Lake won its first league game of the season,

beating Round Lake, 69-48, and Grayslake racked up its fifth win by shaming Wauconda, 69-64.

Warren Edges Grant, 68-67, To Take Conference Lead

Warren's Blue Devils, who have made a habit of taking the close ones (and most of the rest, for that matter), did it again 68-67 last Friday in Ingleside after trailing a favored Grant quintet until the final 35 seconds of play.

The victory puts the Blue Devils in first place in the Northwest Conference, with 5-0, dropping their closest rivals, Grant's Bulldogs, to second with a 4-1 record.

It was a heartbreaker for Grant, who grabbed an early 18-13 lead, boosted it to a 37-31 half-time advantage and were leading 67-60 when Warren's Stan Flood sank two free throws to cap a Warren rally.

Game honors were reserved for Larry Beshel, Warren's playmaker, who tallied 33 points for the evening, nine of them in the final seven minutes of play.

Promise of a crowd-tingling game was set in opening moments, with the lead changing hands five times in that many minutes, with the Bulldogs gradually edging ahead. The game was nip and tuck all the way, with Grant in front 67-62 when Warren made its move. Beshel and Lahey both scored from the field to close the gap 67-66, at which time Flood sank his two charities to close out the thriller.

Grant was handicapped by the absence of Mike Bartolette, playmaker

and all-around player who is recovering from knee surgery. But Grant compounded the damage by erratic play that saw the Bulldogs losing the ball 14 times.
